

AL1

Award-winning design, innovative technology and ultimate quality - this elegant deskside shredder is first choice for the demanding user.

AL1

Deskside document shredder in ageless design with elegant aluminium shell. Attractive, plastic-laminated side panels. SPS – Safety Protection System: electronically controlled, transparent safety flap in the feed opening as additional safety element; EASY-SWITCH – intelligent control element indicating the operational status of the shredder with varying colour codes and back-lit symbols; automatic reverse and power cut-off (avoids paper jams); sensory fill level indication with automatic stop if the shred bin is full; electronic door protection via a magnetic switch; double motor protection; environmentally-friendly energy-saving mode. Photo cell controlled automatic start and stop. Convenient 240 mm feed opening. High-quality, paper clip proof cutting shafts from special hardened steel. Lifetime guarantee on the cutting shafts. Quiet, powerful 580 Watt single phase motor. Shred bin and soundless mechanical vibration for particle compacting and clean bin removal. High volume for the shreds (25 litres). Attractive colour combination: aluminium silver/dark grey. Quality “Made in Germany”

	AL1
Insertion width in mm	240
Cutting width in mm	2 x 15
Sheet capacity (A4, 70 g/sqm)	11-13
Sheet capacity (A4, 80 g/sqm)	9-11
DIN security level	P-5
Motor capacity in watt	580
Shred bin volume in litres	25
Dimensions W x D x H in mm	410 x 240 x 600
Weight in kg	21

The technical data is approximate. Subject to change 03/2013

Robust and durable: High-quality paper clip proof cutting shafts from special hardened steel. Lifetime guarantee on the cutting shafts under conditions of fair wear and tear.

Intelligent multifunction switch element with integrated optical signals for the operational status of the shredder.

Outstanding safety features: SPS includes a patented, electronically controlled safety flap in the feed opening.

Sensory fill level control with automatic stop if the shred bin is full and electronic door protection via a magnetic switch.
