

NEW PRODUCTS *Electric 2 - Hole Puncher*

★COMPACT ! SIMPLY ! SAFETY!
SPEEDY!

★PATENT PENDING !

At one time the machine can punch 550 sheets
(ppc64g/m² paper 50mmthickness)

MODEL PN-50E

At one time the machine can punch 300 sheets
(ppc64g/m² paper 30mmthickness)

MODEL PN-27E

Easy to Operate

Setting the papers

Push the start button

Specification

Model	Dimensions	Weight	Power Requirements	
PN-50E	180×330×287mm	13.5Kg	100V, 110V, 120V, 220V, 230V, 240V 50/60Hz Other voltage available on request	
Diameter	Pitch	Depth	Punching Capacity	Gauge
6.0mm	80mm	12mm	550sheets of paper (64g/m ²)	Double sliding 148~297mm

Model	Dimensions	Weight	Power Requirements	
PN-27E	180×330×250mm	12.6Kg	100V, 110V, 120V, 220V, 230V, 240V 50/60Hz Other voltage available on request	
Diameter	Pitch	Depth	Punching Capacity	Gauge
6.0mm	80mm	12mm	300sheets of paper (64g/m ²)	Double sliding 148~297mm

Feature

Check the paper chips in one looking

Replace the punch blade without tool

With chips collect

Easy to fix the center
