Three Reasons to Love P-touch

With three great models to choose from, it is now easier than ever to find the perfect labeller to help you get organised!

PERSONAL — **The PT-90:** offers three changeable faceplates to customise your labeller. With its "Deco Mode" feature, you can add up to 8 stylish patterns to your home labeling applications using 12mm M Tape. Featuring an easy-view, 12-character LCD display and QWERTY style keyboard, the PT-90 prints non-laminated labels in two width sizes.

FAMILY — **The PT-1090:** features a convenient "Feature Dial," which facilitates easy menu navigation. The Time & Date function lets you print labels for leftover food and other dated items, while the Cable Labeling feature helps keep your wires and cables organised. With its 12 built-in "Deco Mode" designs, you can create decorative labels using 12mm TZ Tape. Uses laminated "TZ" series tapes – perfect for indoor or outdoor usage.

HOME & OFFICE — **The PT-1290:** provides a dedicated "Deco Mode" key that gives you easy access to 15 unique pre-designed label formats – including professional layouts that accommodate 2 rows of text using 12mm TZ Tape. Easily switch between 2 fonts with the touch of a button. Create decorative laminated labels, and when you're done – use the built-in memory to store up to 9 of your most frequently used labels.
